SchlumbergerSema | world ready :

The time is right:

All you need now is as much variety but more stability.

Occupational Health Nursing Opportunities

Bolton, Hastings, Glasgow, Leeds and Liverpool

SchlumbergerSema provides a range of managed medical services to organisations in the public and private sectors. In fact we are one of the country's top 3 providers of Occupational Health services. This means we can offer all the security, stability and prospects you'd expect from working for a single market-leading employer, combined with the flexibility and client variety you currently enjoy.

Occupational Health Nursing Advisers – up to £29,000 (pro rata)

Hastings, Liverpool, Leeds (F/T), Bolton (P/T, 3 days)

Providing a comprehensive service direct to a broad and varied client base, you can look forward to a good deal of autonomy, leading to diverse networking opportunities and contract challenges. Our modern can-do culture values individual empowerment, offers first-rate training and supervision options whilst enjoying significant business expansion.

To join us you need to be a registered Occupational Health Practitioner with a first level nursing qualification and at least two years' post registration Occupational Health Nursing experience. You also need strong interpersonal and influencing skills, a firm grasp of people management issues, basic IT skills and a full driving licence.

For more details on the Liverpool, Leeds and Bolton posts please call 07733 311 205 and for Hastings please call 0141 227 2305. (Ref: NUA)

Occupational Health Support Nurse – up to £24,000 (pro rata)

Glasgow (P/T, 3 days)

You need to be a registered nurse with at least 4 years' generalist experience, Occupational Health nursing experience would be advantageous but not essential and be flexible within a '9-5 Monday - Friday Framework'.

For more details please call 0141 227 2305. (Ref: NUS).

For an application form for all posts contact Diane Roberts, Recruitment Manager, 3300 Solihull Parkway, Birmingham Business Park, Birmingham B37 7YQ or email medicalservicesrecruitment@slb.com quoting the relevant reference number.

Our recruitment and selection procedure is based purely on merit.
